ORDERING INFORMATION / TERMS OF SALE /SPECIAL CONDITIONS

Non-standard options or specifications require extended delivery-contact factory

- Consult factory for special non-standard lift heights. Special equipment orders are non-cancelable.
- ~~Prices, specifications, and standard features subject to change without notice.~~
- When ordering electric trucks, specify battery make, model, dimensions, and weight. If battery weight is less than minimum required as published, a \$350 net charge will be added to the purchase price of the truck for the additional counterweight.
- Consult factory for capacity ratings
- Technical data and prices subject to change without notice
- Operator and/or maintenance training is not included in the base price of any model. Driver and service training is available at \$550 net per day plus travel and per diem at cost. FTR Rates - Open Market
- ~~Terms of sale are NET 30 days from date of shipping, FOB Marysville, KS. All orders are subject to prior credit approval and transaction credit security filings.~~
- Mast assemblies with a collapsed height greater than 107" (2.7M) may require removal prior to shipping, add \$200 net each.
- Trucks ordered without a mast or mast shipping in advance, add \$200 net each.
- Any attachment added in the field to a Landoll lift truck must be reported to the factory and data plate changes administered. Landoll reserves the right to back charge costs associated with additional testing required.
- Faxed orders are sufficient to hold delivery slots but all orders must be confirmed with a signed original hard copy purchase order indicating accurate price, terms and requested delivery date.
- Changes or cancellations within 30 days of scheduled shipping date are subject to 15% restocking charge.
